Course Date, Time and Location:

Jan 31 - Feb 1, 2014
9:00 am - 5:00 pm

North Slope Borough Fire

1040 Egasak St. - Station #1
Barrow, AK 99723

NO COST

NFA NIMS - Incident Command System for the Fire Service

Course Description:

This course is designed to meet the needs of Fire Fighters and Fire Officers who have responsibilities to deploy, implement, and/or function within an Incident Command System (ICS). This program addresses the need for an incident management system. It provides an overview of the structure, how ICS can be expanded for the nature of the incident and addresses command skills needed by FF and FO on the effective use of ICS guidelines

Registration Deadline: None

Student Responsibilities:

Course materials will be provided to registered students at the beginning of class. 100% attendance and participation is required. The student or his/her sponsoring agency is responsible for all costs for transportation, food and lodging.

Please complete the registration form and email it or fax a copy to (907) 451-8998.
